At this time, masks are required to be worn inside our facility. It is highly recommended that you wear a mask while on the course in times where you cannot distance yourself at least 2-meters from others outside of your household. We ask that you wear a mask whenever interacting with our staff on the Golf Course and in our facility. All staff will be required to wear a mask while indoors and where physical distancing is hard to achieve.

## **Booking & Check-In**

**As stated by AHS - Stage 1 reopening started June1, 2021 - Outdoor physical, performance and recreation activities - up to 10 distanced people, all ages.**

Q: What does this mean for the sport of golf?

A: We are now able to book players on the same tee time that do not reside from the same household. Physical distancing must still be achieved by individuals that do not live together.

Online booking is now available, visit <https://www.vistaridge.ab.ca/golf-booking> to book your tee time. Public booking access is 7 days in advance, member booking access is 10 days in advance. Pre-booking is required at this time.

Family bookings must be made through the pro shop so please call our Guest Services office to make a booking with your family.

Pre-booking is required, no walk-ins. Bookings can be made online or over the phone at 780-743-8651. We ask that guests do not arrive earlier than 30 minutes before their tee time and have one person per group check-in at one time.

## **Equipment Rental**

Equipment will be cleaned and disinfected between each use. Shareable items such as sand/seed bottles, self-serve scorecards/pencils, rakes, ball washers and benches will be out of order or removed. Flagsticks will remain in at all times. Due to the oversized cup, golfers can retrieve their ball without touching the flag.

**Vista Ridge reserves the right to deny access to any guest they believe is not complying with the conditions listed, or who exhibits any visible Covid-19 symptoms.**
